

# Meeting[1] - Club Sit-ins and Other Matters

Troy Serapio

*08 / 12 / 2024*

# Club Sit-Ins

- Tentative general flow of activities
  - Introduction to AI and Data Science
    - Materials needed
    - What do we showcase?
  - Teachable Machines
  - Possibly a Data Science activity?
    - What if one club sit-in is Data Science, then the other is AI
- Suggest other activities

# Committee Selection

- Let people sign-up to committee by **THIS WEEK**
  - Creatives Committee
  - Management Committee
  - Scientific Committee
  - Public Relations
- Open GForm by today (at most tomorrow<sup>TM</sup>)

## Talk Series

- Ideally an event where many are interested because of the knowledge gained from the talks
- We can even ask them for advice relating to our projects!

## Talk Series

- Mr. Joseph Marvin Imperial
  - A UKRI CDT Doctoral Researcher at the University of Bath's Integrated Ph.D. Program in Accountable, Responsible, and Transparent AI (also called ART-AI).
  - Does stuff related to NLP, particularly **Building Low-Resource Language Corpora** (basically GPTarsier)

## Talk Series

- Dr. Reinabelle Reyes
  - Filipina astrophysicist and data scientist in UP-NIP.
  - Leverages open data and open-source machine learning and artificial intelligence tools for a broad range of applications, including gravitational-wave astronomy, extragalactic astronomy, cosmology, and data for social good.

## Talk Series

- Dr. Dado Banatao
  - Really inspiring Filipino from rags to riches. He invented the 16-Bit microchip
  - Very passionate about CS and very popular within the CS landscape.

## Talk Series

- Suggest more possible people to give a talk for Tomorrow!
- Preferably related to our projects and/or Filipino, talk more about it at `#talk-series`

## Other Things

- Our curriculum for the first few meetings would be introducing all the environments we would be using
- ... right after motivating the idea of AI and Data Science.
- Also I would need everyone's help to make all of this possible!!

**Thank you so much for listening!**

**Have a nice HR / ASA**
